1.	B. Tech(C.S.E)	Lakireddy Bali Reddy College of Engineering	JNTU-K	2012-2016	70.8
2.	Intermediate	Sri Chaitanya Junior College	B.O.I.E	2010-2012	88.1
3.	S.S.C	Master Minds Concept school	B.O.S.E	2010	80

## Technical skills:

Programming skills	:	C, C++, Core java
Database Languages	:	SQL
Web Technologies	:	HTML, XML, Java script
Modelling Languages	:	UML
Operating Systems	:	Windows

## Academic projects:

- SPECIALITY OF A NUMBER:** An application developed in C which takes any number up to 1000 as input and gives us the whole properties of that number as output such as square, cube, factors, factor sum etc..  
**ADVANTAGE:** For example, 26 is a number which is between a square number(25) and cube number(27),so to know these type of special properties would be easy by this application
- HOROSCOPE:** An application developed in C++ which is used to find our horoscope based on our name and birth date  
**ADVANTAGE:** Very Easy to know about our fate (though believe it or not) instead of cheated by the Fortune tellers

## **INTERNSHIP:**

Training and project development at Y! Software Solutions, Vijayawada.

**QUICK REPORT:** it is a module which i designed for the company at where i done my internship, it is useful to their Live Website [www.3rdparty.co.in](http://www.3rdparty.co.in). What it does is, retrieve the whole data from data base and report the adminers that day by day their cost on it and the profit by it.

**SALAHAA:** A Website for the people who needs an advice or suggestion so, that they can simply login into this site and asks a question which will be answered by the professionals in which category the question belongs and you'll get this answer through your phone too.

**WEB TECHNOLOGIES:** HTML, JQUERY, PHP, **DATABASE:** SQL

## **PROJECT (Online Venue Booking):**

This is a user-friendly website which uses the technologies like JAVA SCRIPT, HTML5 and PHP. The objective of this site is 'instead of going to the websites or the vendors for booking of venues for different events, these sites lists the whole venues which are available at the date and location which you entered. It checks the database and retrieves the data on the screen as a quick response.

**WEB TECHNOLOGIES:** HTML, JQUERY, PHP, **DATABASE:** SQL

## **Achievements:**

1. An application "Crime investigation" has been shortlisted in a national level event named "DEVTHON LBRCE" organised by Computer Society of India conducted at resident Lakireddy Bali Reddy College of Engg for implementing the idea till its front end.
2. Finalist in a Event named "INNOVATIVE BRAINS" Conducted by Lakireddy balireddy college of engineering

## **Activities:**

1. Participated in "ELOCUTION" and get Finalised at fest organised by P.V.P.Siddartha Engineering College.
2. Participated in a quiz competition at P.V.P Siddartha Engineering college.
3. Presented academic papers like Ethical Hacking, Bio Metrics.
